

| Rank | Agent                                    | Easy to Sell | Money Potential | Market Demand | Easy to Integrate | New Idea | Overall Score | Why this rank                                                                                               |
|------|------------------------------------------|--------------|-----------------|---------------|-------------------|----------|---------------|-------------------------------------------------------------------------------------------------------------|
| 1    | <b>Voice AI Agent</b><br>(call handling) | ★★★★★        | ★★★★★           | ★★★★★         | ★★★★☆             | ★★★★☆    | 24/25         | Highest demand + profitability right now. Local businesses buy fast. Still less saturated than text agents. |
| 2    | <b>Vertical AI Sales / SDR Agent</b>     | ★★★★★        | ★★★★★           | ★★★★★         | ★★★★★             | ★★★★☆    | 23/25         | Extremely clear ROI (“books meetings”). Very high demand. Easy integrations. Strong recurring revenue.      |
| 3    | <b>AI “Deal Closer” Agent</b>            | ★★★★★        | ★★★★★           | ★★★★☆         | ★★★★☆             | ★★★★★    | 22/25         | Fresh angle, high willingness to pay, solves a painful gap. Slightly newer so market education needed.      |
| 4    | <b>Document/Invoice Processing Agent</b> | ★★★★☆        | ★★★★★           | ★★★★☆         | ★★★★☆             | ★★★★☆    | 19/25         | High margin & sticky revenue, but more competition and slightly harder integrations (OCR + ERP).            |
| 5    | <b>AI Meeting/Inbox Agent</b>            | ★★★★★        | ★★★★☆           | ★★★★☆         | ★★★★★             | ★★★☆☆    | 17/25         | Fastest to build and easiest to sell, but most saturated market. Lower pricing power.                       |

## Summary

- **Best overall right now → Voice AI Agent**
- **Best for pure revenue + clear ROI → Vertical SDR Agent**
- **Best “new” angle → Deal Closer Agent**
